AFTB

Volunteers Wanted for Army Family Team Building

AFTB has been more than just a learning tool since being introduced to the Army; it has been a training aid for deployments, a preventive measure for problem solving, a building block for relationships through better communications, and even a social network opportunity.

AFTB needs YOU to spread the word. Did you know that...

-Units can request specific classes, and we will make a schedule that fits your needs. We can combine level classes and design a program for you. Remember, child care is paid while attending AFTB classes. We still need volunteers. If you are interested, call 286-6600.

HEALTH CONSUMER COUNCIL

On Nov.1, Tricare beneficiaries living in Texas will become part of the TRICARE South region. Humana Military Healthcare Services will be the regional contractor that provides administrative and health care services support in the TRICARE South Region. This transition will not change your TRICARE benefits and costs. You do not have to do anything because of the new contract. Darnall will continue to provide the same world-class health care to all our beneficiaries. Soon you will receive a welcome letter and beneficiary handbook that includes info. on providers, procedures for filing claims, and points of contact for assistance. One benefit that we have from the TRICARE contract now (until 31 Oct.) is the Health Care Information Line. The HCIL is a 1-800 number that anyone can call and talk with a registered nurse. This service is not going to be offered under the new contract. This service will become an "in house" service provided by Darnall. Beginning 1 Nov. you can call Darnall and speak to a nurse and they will be able to answer your questions, make appts if necessary or transfer you to the ER if its an emergency. There is no hiring freeze for Obstetrical Nurses. Nurses are needed for a very busy labor deck. Pediatric clinic is due to reopen the first week of October. Red Cross is in desperate need of volunteers to drive the care mobile. Please call 287-0400 or 288-8144. Retiree Health Fair is scheduled for 30 Oct., 11:00-3:00pm at Darnall. Flu shots will be available

For questions about volunteer opportunities call Lane Volunteer Center at 287-VOLS (8657).

LAYETTE

WELL DONE Volunteers! I recently had the opportunity to talk with one of our new 1st CAV mothers, who just so happens to be a very close friend. She delivered in the month of September and of course I checked with her to ensure that she had received the 1st CAV Layette Gift during her stay at Darnall. I was so very happy and proud to hear what she had to say about the volunteers who came to see her. These volunteers shall of course remain nameless, but my hope is that ALL of our volunteers will provide a similar experience. My friend stated that the ladies who came in to see her were very nice and that their words and actions seemed heartfelt. They made sure their visit was short and did not stay but a few moments. They congratulated her on the birth of her child, gave her the gift, and mentioned that it was from the 1st CAV Layette Program. They also reminded her to register her child at the 1st CAV Museum. PERFECTION – isn't it great! Thank you to all of our dedicated Layette volunteers for visits such as these! For those of you who are unfamiliar with the Layette Program, we are a non-profit organization run solely by volunteers from the brigades and battalions of the First Team. We welcome newborn babies by delivering a Layette bag filled with some great gifts to each 1st CAV family who delivers a baby at Darnall Army Community Hospital – regardless of the sponsor's rank. If you are interested in making a donation to this program, have any questions or concerns, or if you are interested in becoming a Layette Volunteer, please email Aimee Randazzo, the Program Coordinator, at ALRandazzo@hotmail.com.

MCEC
(Military Child Education Coalition)

The MCEC website is
www.MilitaryChild.org.

Through MCEC there are at least two Interactive Counseling Centers (ICC) in the 39 Texas school districts serving military installations. However, there is an ICC in each of the Killeen/Fort Hood Area High Schools. These stations can be used for parents, counselors and/or teachers in assisting transitioning students and also for allowing deployed parents the ability to stay on top of their children's progress in the classroom.

An ICC workstation is available now for deployed parents to use in Baghdad. Currently there is one ICC workstation in Iraq, located in the division main headquarters building on Camp Victory North. Deployed parents interested in using ICC can sign up by going to the system automation section's (G-6) main page on the division's secure intranet, click on the ICC icon, and fill out the required request form and get the process started. The automation section will contact the school and set up a time for a video teleconference between deployed parents and school representatives.

NMFA

At the beginning of the 2004 school year, NMFA encourages you to learn about state efforts to support military families by visiting a new DoD Web site: www.USA4MilitaryFamilies.org. The site provides updates about state policy and legislative changes

designed to ease military children's educational transition into new schools, promote military spouse career progression, and support deployed servicemembers. It also provides useful links to other organizational resources available to inform and support families. Another excellent website, militarystudent.org features articles and resources to assist families and schoolchildren who have a deployed family member. Please note this month's article about the impact of the war in Iraq on Killeen's schoolchildren! If you have specific questions, feel free to call Eleanor Vuono at 953-8382.

Viva Les Arts

If you haven't already joined us at Vive Les Arts for one of our invited dress rehearsal evenings, please mark your calendars for November 4, 2004, and come enjoy SHADOWLANDS, a drama by William Nicholson. C. S. Lewis, the author of the Narnia books, was a man well placed, sure in his life. Along came a brash, unpredictable American poet named Joy Gresham to thoroughly muddle his well-ordered life. What resulted was a love affair that lasted longer than a lifetime.

The chartered bus leaves the Fort Hood O'Club parking lot at 6:45P.M. Perhaps you would prefer to join us

on your own at the Theatre at 7:30 P.M. Once there, you'll be greeted by a wine and cheese reception and welcomed by the Theatre's director before the show begins. Coffee and desserts follow during intermission and the evening ends with a chance to greet the actors. Bus service is available to return patrons to the FHOC parking lot. If you're joining us there, VLA is located at 3401 W.S. Young Drive in Killeen behind the Lowe's Plaza and just adjacent to the Killeen Civic and Conference Center (KCCC). Please RSVP to Ann Morrison only at 698-8674 or by email at jmorrison@hotmail.com so we can plan bus and reception accommodations for the evening. This is a FREE theatre event, open to **spouses** of deployed service members and a wonderful opportunity to sample the talents of some of the dedicated actors in our local area!
